How to get from Brno to Valtice

Valtice is located approximately 60 km south of Brno and is easily accessible by public transport. The journey usually takes around 1–1.5 hours, depending on the connection.

Recommended option: Train + Bus via Podivín

We recommend taking a train from **Brno Main Railway Station (Brno hlavní nádraží)** to **Podivín**, followed by bus no. 555 to Valtice.

For example, one convenient connection is:

- **10:36** – Train R13 departs from Brno Main Station
- **11:07** – Arrival in Podivín
- **11:18** – Bus no. 555 departs from Podivín railway station
- **11:49** – Arrival at Valtice bus station (Valtice, aut. st.)

The total journey takes approximately **1 hour and 13 minutes**, including the transfer.

Valtice bus station is conveniently located near the town centre, approximately **5–10 minutes on foot from Valtice Castle and the hotel**.

This is our recommended connection, as it is comfortable and brings you close to your destination.

Alternative option: Via Břeclav

Another possibility is to take a train from Brno to Břeclav, where you can change to:

- **A local train (S8)** towards Valtice. Please note that the railway stops are further from the castle than the bus station. The railway stop is called **Valtice-město** (there are two stops and this is the correct one)!

If you arrive by train in Valtice, expect a walk of approximately **20–30 minutes** to the castle area, depending on the station and route.

- From Břeclav, you can also take bus no. 571 to Valtice bus station (Valtice, aut. st.),

For this reason, we generally recommend arriving by bus at **Valtice, aut. st.**, especially if you are travelling with luggage.

Travel Information

Please note that the travel options listed above are for journeys from Brno to Valtice.

If you are travelling from Prague, Vienna, or any other location, we recommend using the **IDOS website or mobile app**: <https://idos.cz/en/>

Simply enter your departure point and destination (Valtice), along with your preferred travel date and time. IDOS will show you the available connections, including train and bus routes, departure and arrival times, and transfers, as illustrated in the screenshots above.

You can check current connections, timetables and ticket prices here:
